The Honorable D. S. Saund
House Office Building
Washington 25, D. C.

Dear Congressman:

Tomorrow Senator Cooper and I are introducing a resolution regarding American economic support for India.

I am sending you a copy of the speech I am giving at that time in the thought that you might be interested in reading it. If you should have any comments on it, on the floor or off, I should welcome them.

With every good wish.

Sincerely,

John F. Kennedy
